IMPORTANT RISK WARNINGS / FUND INFORMATION FOR HONG KONG INVESTORS

(Capitalized terms used herein but not otherwise defined will have the same meanings as defined in the Explanatory Memorandum of Hang Seng Investment Series (the "Series") and the Term Sheet of the Fund)

- Hang Seng China Equity Fund (the "Fund") primarily invests in securities of companies which engage in China-related businesses and are listed on The Stock Exchange of Hong Kong Limited (mainly H-shares and red chips shares) or on any other non-Hong Kong exchanges.
- The Fund's investment in equity securities is subject to general market risks, whose value may fluctuate.
- The Net Asset Value of the Fund may be affected unfavourably by fluctuations in the exchange rates between the currencies of the Fund's underlying investments and the Fund's base currency and by changes in exchange rate controls.
- The Fund is subject to concentration risk. The value of the Fund may be more volatile than that of a fund having a more diverse portfolio of investments, and may be more susceptible to adverse economic, political, policy, foreign exchange, liquidity, tax, legal or regulatory event affecting China.
- Investing in an emerging market (such as mainland China) may involve increased risks and special considerations not typically associated with investment in more developed markets.
- The stock of small-capitalisation/ mid-capitalisation companies may have lower liquidity and their prices are more volatile to adverse economic developments than those of larger capitalisation companies in general.
- The Fund is subject to the risks associated with the Stock Connect. The relevant rules and regulations on the Stock Connect are subject to change which may have potential retrospective effect.
- The Fund may invest in stocks listed on ChiNext Board and/or STAR Board, and is subject to the risks associated with ChiNext Board and/or Star Board.
- RMB is currently not freely convertible and is subject to exchange controls and restrictions. Non RMB-based investors are exposed to foreign exchange risks.
- For Income Units, the Manager may at its discretion pay dividend out of the capital of the Fund. Payment of dividends out of capital amounts to a return or withdrawal of part of an investor's original investment or from any capital gains attributable to that original investments. Any such distributions may result in an immediate reduction of the Net Asset Value per Unit.
- Investment involves risks and investors may lose substantial part of their investment in the Fund.

Investors should not only base on the contents of this material alone to make investment decisions, but should read the Fund's Term Sheet, Product Key Facts Statement and the Explanatory Memorandum of the Series (including the full text of the risk factors stated therein) (collectively "Offering Documents") in detail. If investors have any doubt about the contents of this material or about the Offering Documents, they should consult their investment adviser and obtain independent professional advice.

Investment Objective

The investment objective of the Fund is to achieve long term capital appreciation by primarily investing in securities of companies which engage in China-related businesses and are listed on SEHK (mainly H-shares and red chips shares) or on any other non-Hong Kong exchanges.

Investment Objective and Strategy

The investment objective of the Fund is to achieve long term capital appreciation by primarily investing in securities of companies which engage in China-related businesses and are listed on SEHK (mainly H-shares and red chips shares) or on any other non-Hong Kong exchanges. At least 70% of the Fund's Net Asset Value will be invested in securities of companies which engage in China-related businesses (e.g. securities of companies domiciled in/with headquarters location in mainland China, or with majority of their sales revenue, profit and/or assets derived from mainland China etc.) and are listed on the SEHK or on any other non-Hong Kong exchanges. The Fund may invest not more than 70% of its Net Asset Value in mainland China-listed A-shares, including but not limited to stocks listed on the ChiNext Board and/or the Science and Technology Innovation Board, via the Stock Connect. The Fund may also invest less than 30% of its Net Asset Value in liquid assets denominated in HK dollars.
