### Benchmark and corporate action information

This fund does not have the objective of sustainable investment or binding environmental or social characteristics as defined by Regulation (EU) 2019/2088 on Sustainability-related Disclosures in the Financial Services Sector (the "SFDR"). Any references to the integration of sustainability considerations are made in relation to the processes of the investment manager or the Schroders Group and are not specific to the fund. Effective 18.04.2023, the investment objective has been changed from "The Fund aims to provide capital growth in excess of the FTSE Gold Mines UCITS capped index after fees have been deducted over a three to five year period by investing in equity and equity related securities of companies in the gold industry." to "The Fund aims to provide capital growth in excess of the FTSE Gold Mines UCITS capped index after fees have been deducted over a three to five year period by investing in equity and equity related securities of companies in the gold industry.". The target benchmark in the investment objective has been changed from FTSE Gold Mines index to FTSE Gold Mines UCITS capped index on 14.03.2024.

#### Benchmarks: (If applicable)

Some performance differences between the fund and the benchmark may arise because the fund performance is calculated at a different valuation point from the benchmark. The target benchmark has been selected because it is representative of the type of investments in which the fund is likely to invest, and it is, therefore, an appropriate target in relation to the return that the fund aims to provide. The investment manager invests on a discretionary basis and there are no restrictions on the extent to which the fund's portfolio and performance may deviate from the benchmark. The investment manager will invest in companies or sectors not included in the benchmark in order to take advantage of specific investment opportunities.
